PUBLIC HANDOFF: KEEP THE CHECKLIST

All identifiers, files and contact details are invented.

VISIBLE INTERNAL REFERENCE

DEMO-BUNDLE-7314

1. Inspect files attached to this PDF, not only its pages.
2. Review the paperclip annotation on page two as well.
3. Keep required originals separately before cleanup.
4. Reopen the actual saved PDF and check its contents.

PUBLIC APPENDIX: REVIEW EVERY PAGE

All identifiers, files and contact details are invented.

The document list contains one fictional TXT file.

This page also carries a separate CSV file attachment.

Its private payload is not part of the ordinary page text.

An emptied document list alone is not a complete check.

A paperclip icon or its removal may vary by PDF viewer.
