FICTIONAL REVIEW COPY

All names, comments and references are invented.

Public workshop: doors open at 10:00.

The page has a sticky-note comment with a reviewer name.

Metadata cleanup does not redact a name printed in page content.

Reopen the actual saved PDF; inspect comments, properties and pixels.

FICTIONAL REVIEW COPY

All names, comments and references are invented.

Public checklist: return the demonstration kit.

The tinted box is a FreeText annotation, not ordinary page text.

[redacted]

Metadata cleanup does not redact a name printed in page content.

Reopen the actual saved PDF; inspect comments, properties and pixels.
