PUBLIC PLAN: KEEP THE TIMETABLE

All identifiers are invented. No real person or account is described.

Use the known phrase to find candidate pages, then inspect every page.

INTERNAL REFERENCE - REVIEW SEPARATELY

[redacted]

INTERNAL REFERENCE - REVIEW SEPARATELY

[redacted]

1. Keep public instructions and inspect repeated details.
2. A page list is not an occurrence count or redaction proof.
3. Reopen the actual saved file and review all three pages.

PUBLIC NOTES: KEEP THE CHECKLIST

All identifiers are invented. No real person or account is described.

Use the known phrase to find candidate pages, then inspect every page.

INTERNAL REFERENCE - REVIEW SEPARATELY

1. Keep public instructions and inspect repeated details.
2. A page list is not an occurrence count or redaction proof.
3. Reopen the actual saved file and review all three pages.

PUBLIC SCAN: REVIEW THE WHOLE PAGE

All identifiers are invented. No real person or account is described.

This whole page will become an image without a text layer.

INTERNAL REFERENCE - REVIEW SEPARATELY

[redacted]

1. Keep public instructions and inspect repeated details.
